

FLORA AND FAUNA

AFTER MONTHS OF GREY SKIES, RECORD RAINFALL AND SOME FRIGID TEMPERATURES THROWN IN, THE ADVENT OF SPRING IS A RELIEF. MORE THAN MILDER DAYS, THE RESURGENCE OF FLORA AND FAUNA IS NATURE'S VERSION OF A MAKEOVER. THESE UNIQUE AND BEAUTIFUL PIECES, INSPIRED BY MOTHER EARTH, SPARKLE WITH NATURAL BEAUTY.

— Michele Marko, @misseymarko

1. This **ENCHANTED LOTUS FLOWER BRACELET** was created with an openwork, micropavé diamond design set in 18-karat rose gold. \$2,950 at De Beers, debeers.ca

2. Flowers are known for bringing pleasure, and this **SEURAT FLOWER PENDANT BY TIFFANY** should elate its recipient. Crafted from pink and purple sapphires, garnets and diamonds, it is set in platinum. \$122,000 at Tiffany, tiffany.com

3. Made in Italy, this **WILDCAT GUCCI RING** is created with yellow gold for the band with a sculpted, sterling silver, feline head boasting blue topaz and black spinal eyes with a pearl in its mouth. \$1,910 at Gucci, gucci.com/ca

4. Butterflies herald lush blooms and enhance the beauty of a garden. These two whimsical works of art feature diamonds and yellow sapphires set in 18-karat white and yellow gold. **TWO BUTTERFLY BETWEEN THE FINGER RING**, \$23,500 at Van Cleef & Arpels, vanCleefArpels.com

5. A luminous South Sea pearl is the centrepiece for this 18-karat, white-gold **STARBURST RING** surrounded by a mass of star-like, white diamond petals. Price upon request at Palladio, palladiocanada.com

6. Who says cherry blossoms can't be green? They can when they're fashioned from brilliant-cut emeralds that surround a sparkling diamond. From the **CHOPARD FOR YOU** collection featuring white gold sets of earrings and rings. \$103,670 at Chopard, chopard.com
